

PUBLIC TRANSPORTATION GUIDE

**WE WON'T LET YOU
WANDER ALONE.**

Kansas Rides seeks to promote independence, build connections, and preserve Kansas living by making transportation more accessible and useful to Kansas residents.

HOW TO RIDE

With the exception of Wichita Transit's bus system, most services recommend calling to schedule a ride at least 24 hours in advance.

When you call to schedule your ride, have the start and end addresses ready to help the scheduler quickly set up your ride.

Generally, plan to be ready and waiting for your ride approximately 15 minutes early.

For more information on these and other Kansas transportation services, scan the QR code below with your phone's camera.
